und hört bim Pluto uuf.

The trail starts  
and ends at the Sun  
and Pluto.

In Swiss-German: Other important words and sentences in Swiss-German

## Susch wichtigi Wörter und Sätz uf Schwiizer-Düütsch

Swiss-German

**Was lauft susch no in Züri?** What else is going on in Zurich?

**Sächsilüte** (Bell-ringing at six)\*

Traditional event at the beginning of spring (3<sup>rd</sup> Monday of April) to find out how long the summer will last.

\*in the 16th century, a couple men decided that we should work until 6pm in summer (winter: 5pm), which is when the loud church bell would ring (Grossmünster).

**«Dä Böögg»**

Poor snowman that gets burned at Sächsilüte. Predicts the weather.  
More info [here](#)

Careful! «Dä Nasä-Böögg»  
is the nose booger!

**Was lauft susch no in Züri?** What else is going on in Zurich?

**Street Parade** [English Website](#)

Founded by a math student that asked the city police for permission to organize a "demonstration in support of love, peace, freedom, generosity and tolerance" in 1992.
